Purchasing Tickets

tickets your way

ON-BOARD TRAINS

Train personnel can accept cash only (**no bills over \$20**). All tickets purchased on-board trains (except those purchased by senior citizens and passengers with disabilities) are subject to an additional \$5 charge. Please buy your ticket(s) before boarding the train to save \$5. There is at least one Ticket Vending Machine (TVM) available at all rail stations.

AT TICKET OFFICES/TVMs

Purchase your ticket before boarding trains when a ticket agent and/or a TVM is available. TVMs accept credit cards, debit cards and cash (all bills up to \$100). When using cash, the cost of your transaction will determine the highest denomination of bills accepted. Change is distributed in paper money (up to \$20) in most cases. If you have a personal check or Transit Benefits, please go to a ticket agent or a major terminal. NJ TRANSIT student monthly passes are not available from TVMs. You may also purchase joint SEPTA/NJ TRANSIT tickets (including for your return trip) from TVMs for travel to any SEPTA regional rail station.

VIA NJ TRANSIT MOBILE APP®

If you have a mobile device, you can purchase your tickets or passes securely via MyTix, a feature of the NJ TRANSIT Mobile App. Once you download and install the app, select "Buy" to create an account before purchasing tickets/passes. See the app's FAQ section or visit njtransit.com/mytix for more information.

ALSO KEEP IN MIND

Extending Your Journey If you extend your trip, you must pay the one-way fare between the destination on your ticket/pass and your final destination.

Commuter Tax Benefit Programs Federal tax policy allows customers to set aside pre-tax dollars to save on commuting costs. Employers also save. Visit njtransit.com/taxbenefits.

TRAVEL FLEXIBILITY

You can use your NJ TRANSIT rail pass on light rail or bus! Rail passes are imprinted with a bus-zone number. You can use that rail pass for any light rail trip, or for bus trips up to the number of zones indicated on the pass simply by presenting it to the bus operator or light rail fare enforcement officer. Because our lowest priced monthly rail passes cost less than a bus or light rail monthly pass, they are not eligible. See the Commuting Options section on the reverse side of this timetable for additional information.

SAFETY FIRST

Boarding or Detraining Watch the gap between the platform and train. In rain or snow, use extra caution. Always stand behind the safety line while waiting for your train. Never get on or off a moving train.

Personal Electronic Device Distraction While getting on or off trains and while in stations, avoid the use of personal electronic devices such as mobile phones, digital music players, gaming consoles and headphones. Inattentiveness to your surroundings while using these devices can result in serious injury.

Crossing Tracks Permitted only at designated locations. Never go around the lowered gates at a grade crossing.

Please Stay Alert Many of our trains arrive noiselessly. Don't go near overhead electrified lines.

In An Emergency Listen for announcements. In case of smoke or fire, go to an adjoining car and evacuate through the nearest exit as instructed.
